## Message From Pastor Victor Nyarko

Greetings to you all – God’s precious people at Victory Family Worship Center.

I take pleasure in communicating to you through our church news media. We are nearing close to the end of another church year and with much excitement and with a heart of gratitude, I can say that the Lord has continued to be gracious unto all families in our church family.

Despite the challenges that we all went through as a family due to the pandemic, the Lord has brought us all through well and good. Whilst many assemblies have reported several deaths in their church membership, the Lord kept our church family intact such that none was lost to this deadly virus.

I think we all have to celebrate and be thankful for the mercies of God that has kept us all through these trying times. As the year draws to an end, we are looking forward to the various Christmas and New year services and community give-away programs that we

always do in ministering to the needy and disadvantaged in our community.

Remember we are one another’s keeper, so let us thankfully and thoughtfully share with one another, the bountiful blessings that God has bestowed upon us.

To you all, I say Merry Christmas and a very Happy New Year to every member of our church family.

Shalom

Your Pastor

Victor T. Nyarko

### Month’s Focus: Christmas

The Christmas season is here! As we all know, Jesus is the reason for the season. The Bible says in John 3:16, “For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life”.

Jesus came into this world to redeem us from our sins, giving us a truly amazing reason to be merry!

As we have been given God’s only begotten Son, we must also give to others who need it. We show the love God bestows to us when we remember our neighbors and friends who may not have as much this Christmas.

Please remember all our holiday events coming up- invite your friends and family to partake in these events as well. Take care and have a blessed holiday season!
